2.2 Acre

PROPERTY DETAILS

Discover a stunning Evergreen retreat with breathtaking views of the Continental Divide, set on 2.2 private acres in Saddleback Ridge Estates. This custom home features vaulted ceilings and large windows that fill the space with light and showcase alpine vistas. The versatile lower level is perfect for various uses, while the second-story primary suite offers a serene glass-enclosed sitting area for stargazing. Enjoy evenings in the saltwater hot tub or around the fire pit, with picnic areas for outdoor entertaining. Wildlife sightings are common, and nearby trails offer great hiking and biking. This low-maintenance home includes durable siding, energy-efficient windows, a private well, and high-speed internet. Experience a lifestyle of nature and comfort in this welcoming mountain community.
