

Million Dollar Views! Great Log Home.

 Single Family  3046 SQFT  3 Beds  3 Baths  2 Car  1.4 Acre

PROPERTY DETAILS

Experience Colorado mountain living on this serene 1.4-acre property with stunning views and log cabin charm. This inviting 3-bedroom, 3-bath home features a flexible layout with two primary bedrooms, each with en-suite baths, perfect for guests or multigenerational living. Large windows provide natural light and beautiful seasonal views.

The open main living area boasts a striking two-story stone fireplace, ideal for gatherings. Enjoy expansive decking for morning coffee and evening sunsets, while wildlife sightings enhance the peaceful atmosphere.

Recent updates include a radon mitigation system, whole-house water filtration, and air conditioning in the primary suite. A large storage shed offers space for outdoor gear. Whether for full-time living or a weekend retreat, this property captures the
