PROPERTY DETAILS

Welcome to this fully remodeled ranch-style home in the desirable Barnum neighborhood of Denver. This 3-bedroom, 2-bath residence maximizes its 932 square feet with an open-concept living room and eat-in kitchen featuring granite countertops and stainless steel appliances. The primary suite includes a walk-in closet, while the finished basement adds a bedroom and 3/4 bathroom. An extra bonus room offers versatility for a workspace or gym. Outside, enjoy a private oasis with a fire pit, covered patio, garden, and gazebo. The expanded driveway accommodates five vehicles, with gated access for off-street parking. A unique 1970s ADU trailer provides guest space with a full bed and kitchen. A ~50 sq ft shed adds storage. This property blends modern updates with outdoor enjoyment—explore the possibilities!
