PROPERTY DETAILS

Stunning home in Adonea! This updated 4-bedroom, 4-bath residence features numerous upgrades. With fantastic curb appeal, it welcomes you inside to a spacious family room with a cozy gas fireplace and an open-concept kitchen equipped with granite countertops, an island, and newer stainless-steel appliances. The upgraded mudroom adds convenience. The primary suite boasts vaulted ceilings and a remodeled bath, while two secondary bedrooms showcase painted animal scenes. The upper level has new acacia hardwood floors and a laundry room with included Wi-Fi compatible washer and dryer. The finished basement includes a wet bar, theater area, bedroom #4, and a very nice bathroom. The backyard is perfect for gardening and relaxation. Located near community amenities, this home offers space, functionality, and an unbeatable location. Additional features include a whole house fan, new water heater (2025), and a new high impact roof (2023).
