

 Single Family  1260 SQFT  3 Beds  2 Baths  0.57 Acre

PROPERTY DETAILS

Nestled among pines near National Forest, this mountain retreat offers privacy and adventure, with modern conveniences just 10–15 minutes away. Inside, enjoy an elevated interior with an aspen log ceiling, vaulted spaces, and large windows showcasing stunning mountain views. Upgrades include modern lighting, smart home features, and custom cabinetry. The outdoor space is perfect for entertaining, featuring a fenced backyard with a fire pit, seating area, and hot tub. The versatile loft with an ensuite bathroom can serve as a primary suite or guest retreat, complete with a private deck and mountain views. With nearby hiking trails and a radon mitigation system, this home embodies Colorado mountain living.
