PROPERTY DETAILS

Rare ranch townhome featuring a main-floor primary suite and some of the most breathtaking views in the Denver metro area, overlooking a serene lake with stunning Colorado Front Range mountain vistas from every level. Offering over 2,400 finished square feet, including a beautifully finished walk-out basement, this home combines comfort, space, and scenery. The upper level boasts a spacious living room with a cozy gas fireplace, a large dining area, and an expansive kitchen with abundant cabinetry and slab granite countertops. A dramatic wall of glass perfectly frames the incredible views and fills the home with natural light. The generous primary suite includes an en-suite bath with a jetted tub, separate shower, and is complemented by a convenient guest half bath. A versatile loft provides the perfect space for a home office or reading nook. The walk-out basement features a large family room, an additional spacious bedroom, a full bath, plus a laundry area and ample storage. Completing the home is an oversized attached 2-car garage—the perfect finishing touch to this exceptional property.
