## PROPERTY DETAILS

Discover the ultimate in custom homes where elegance meets luxury. This stunning property features private outdoor space, backs onto open space, and offers breathtaking western sunset views. Chosen by the developer for its prime location, the entrance boasts gorgeous double doors and beautiful hardwood floors. The primary suite, located for privacy, includes its own fireplace and patio. The upper level features a formal living area, exquisite dining room, family room with a gas fireplace, kitchen, office, two large bedrooms, laundry, and a half bath. The bright basement includes two large bedrooms, two fireplaces, a theater, gaming area, library, and bonus rooms. Enjoy evenings by the firepit while listening to the soothing waterfall.
