PROPERTY DETAILS

Nestled on a premium cul-de-sac in Skyline Ridge, this stunning builder model home, completed in 2022, spans 5,326 square feet and boasts breathtaking views of Pikes Peak and city lights. Inside, you're welcomed by 19-foot ceilings and expansive windows that flood the space with natural light. The open-concept main level features a stylish living room with a fireplace, leading to a gourmet kitchen with quartz countertops and stainless steel appliances. The private primary suite includes a spa-like bath with a glass-enclosed shower. Enjoy the covered balcony and landscaped yard with custom lighting. Additional highlights include fresh paint, crown molding, a split 3-car garage, and an unfinished walk-out basement for customization. Close to parks, trails, and top-rated schools, this home offers luxury and convenience.
