 Single Family  2448 SQFT  4 Beds  2/1 Baths  2 Car  0.11 Acre

PROPERTY DETAILS

This beautifully updated 4-bedroom, 3-bathroom home is move-in ready, blending modern finishes with functional space and indoor-outdoor living.

Upon entering, you'll find durable Pergo flooring throughout, leading to an inviting open-concept main level centered around a cozy fireplace and enhanced by stylish lighting.

The refreshed kitchen impresses with quartz countertops, stainless steel appliances, and white cabinetry, making it perfect for both gatherings and quiet nights.

The primary suite is a true retreat with double closets and a private patio balcony for morning coffee.

Downstairs, a spacious living area features a wood-burning stove and walk-out access to the backyard, ideal for various uses.

Outside, enjoy a landscaped, fenced yard with a covered patio and hot tub, extending your living space.

With an attached 2-car garage and updated bathrooms, this versatile home is a must-see!
