## PROPERTY DETAILS

Discover a luxury ranch in Blackstone Country Club, set on a corner lot near the 4th tee box. This stunning home features 4 bedrooms, 4 bathrooms, and 4,938 sq. ft. of elegant living space. With ten-foot ceilings and rich wood flooring, the open floor plan blends sophistication and comfort. The gourmet kitchen boasts an oversized island and wine cooler, perfect for entertaining. The main-floor wet bar flows into the family room, while the primary suite offers private porch access and fairway views. The finished walkout basement includes two additional bedrooms, a seating area, and a full wet bar. Enjoy resort-style amenities and access to the acclaimed Cherry Creek School District, with shopping and DIA just minutes away. A rare chance to own a premier golf course property!
