PROPERTY DETAILS

Experience the freedom and privacy of this exceptional 10-acre property with no HOA or covenants. Located just a short drive from Castle Rock, enjoy a blend of secluded living and everyday convenience. The home features 4 bedrooms, including a versatile office space, and a dedicated home theater for entertainment. The open kitchen connects to the living room, enhanced by a cozy wood-burning fireplace and central heating and A/C for year-round comfort. The spacious primary suite offers a remodeled bath for relaxation. Recent upgrades include granite countertops, fresh paint, and new carpet. The unfinished walk-out basement is perfect for hobbies or storage. An oversized 3-car garage provides ample parking and a whole-house generator hookup. Approximately 9 acres are fenced for animals or gardening, with a domestic well and septic system for self-sufficiency. A unique opportunity for acreage and versatility in a prime location.
