PROPERTY DETAILS

Experience the Colorado lifestyle in this beautifully remodeled 4-bedroom, 3-bath home on nearly an acre in the Genesee community, just 25 minutes from Denver.

This contemporary two-story residence spans 2,831 square feet, featuring premium cabinetry, high-end appliances, and a striking 21' vaulted ceiling with exposed wood beams. Enjoy the warmth of hardwood floors and a cozy wood-burning fireplace. The main suite offers three closets and a spa-like ensuite bath.

For entertainment, French doors lead to a low-maintenance Trex deck and backyard patio, perfect for observing local wildlife. The large walk-out lower level provides additional storage or space for a gym.

Conveniently located 25 minutes from Denver and 60 minutes from skiing in Summit County, with charming shops and breweries in nearby Golden.
