

Condominium

700 SQFT

1 Bed

1 Baths

PROPERTY DETAILS

Welcome home to this charming condo in the heart of Parker. This open floorplan features thoughtful architecture, abundant natural light all day long with southeast exposure and high ceilings. Enjoy beautiful Colorado weather on the massive oversized deck which fits a full dining table with room to spare. The primary bedroom is large with huge walk-in closet. Relax after a long day in the oversized soaking tub. Have a large collection of kitchen appliances? The utility room features BONUS STORAGE with built in shelving. Participate in a lot of outdoor activities? The adjoining storage closet outside the unit easily fits seasonal clothing, golf clubs, skis or snowboards, holiday decorations, and so much more. Just minutes from dining, shopping, entertainment, Mainstreet, and grocery at Costco, Whole Foods, Sprouts, and King Soopers. Make use of the tennis courts at Creekside Recreation Center which is just across the street. Cherry Creek Trail is just 1/2 mile away. Onsite management is during office hours. Interested in more upgrades? Ask about loan options that include purchase + upgrades.
