PROPERTY DETAILS

Beautiful large ranch-style home located in the prestigious Gleneagle community. The home backs to open space with 95 acres of hiking trails and sunsets at the top of the hill. It is an impressive 2,241 sq ft with a 3-car heated garage in a tranquil suburban setting. As you enter the home the large windows brighten every room. The great room has a gas fireplace & opens to a large dining area, gourmet kitchen with elegant stone countertops, center island, remote skylights, & eating space. All bedrooms are spacious with roomy closets. Both bathrooms have been remodeled & there are hardwood floors with in-floor radiant heat throughout. The outdoor area has natural landscaping, garden areas, firepit, apple trees, raspberry & blackberry bushes. All appliances included. New paint, ceiling fans, & blinds. Denver MLS#4360839; PPAR MLS#4823986.
