PROPERTY DETAILS

One-level living at its best! This gorgeous home is a rare find, offering true main-level living from garage to primary suite. Extensive upgrades and remodeling have created a stunning, easy-living home. From the new wood floors to the exquisite kitchen to the huge garage, this home truly has it all. The entertainer's kitchen features extensive pullouts, high-end appliances, Dacor stove, & built-in pantry. Step from the kitchen into the dining and living area, where a wall of newer Low-E windows fills the space with sunshine and views. The original owner was an architect and home is designed for passive warmth all winter, and is very temperate in summer. The expansive great room is graced with gorgeous hardwood flooring, a lofted beamed tongue & groove ceiling, and a striking stone fireplace. Step outside to one of two outdoor living areas and enjoy the hot tub under the stars on the rebuilt deck, or gather with friends around the fireplace on the covered front porch. The bathrooms are beautifully done with high-end finishes. Each bedroom is ensuite with a remodeled bathroom, updated lighting & Elfa closet systems. You must also see the awesome 1,300 sq. ft. 3-4 car garage with large RV space, storage area, sink, and a 30-amp plug for RV. This is one of those homes where every detail has been taken care of – from the new roof, skylights, kitchen, fireplace and wood floors in 2017, to the new exterior paint in 2025. Evaporative cooler and high speed internet too. It's the

perfect lock & leave home too. Located on a quiet cul-de-sac in the remarkable community of Genesee, you can literally walk out your back door to 12 miles of private trails & 1,200 acres of nature. Residents enjoy 2 clubhouses with gyms, pools, tennis/pickleball courts, along with community activities. Very convenient to both Denver and Evergreen, living here means enjoying not only gracious living, but also a vibrant community and a connection to nature.
