

 Single Family  2076 SQFT  3 Beds  2/1 Baths  2 Car  0.14 Acre

PROPERTY DETAILS

Completely renovated and better than new! This stunning 3-bedroom, 3-bath home features a full remodel with modern finishes. Enter through a dramatic two-story entry into a light-filled, open-concept layout. The oversized kitchen boasts new cabinetry, countertops, appliances, and fixtures, seamlessly connecting to the family room for easy living and entertaining. All bathrooms are fully updated, and the home has new flooring, paint, and lighting. Enjoy Colorado living on the spacious Trex deck overlooking a large yard, perfect for kids and pets. Located within walking distance to schools, parks, and shops, and just minutes from Southlands Mall and E-470. Don't miss this rare move-in ready opportunity in the desirable Saddle Rock Ridge neighborhood!
