

Ample Space for Everyone

 Single Family  2472 SQFT  4 Beds  2/1 Baths  2 Car  0.16 Acre

PROPERTY DETAILS

Great price and convenient location with plenty of space! This open floorplan features new carpet upstairs, three spacious bedrooms, and two baths, including a primary suite with a double vanity and a large renovated shower. The main floor boasts newer laminate flooring and an inviting kitchen with an island, plus access to the garage and basement. The basement includes a fourth bedroom and an open area with plumbing for a future bath. Enjoy a large fenced backyard with a dog run and shed. Updated paint throughout adds a fresh touch.
