Wonderful Stonegate House on Cul-de-sac with Large Park-like Yard

 Single Family  3293 SQFT  5 Beds  4 Baths  2 Car  0.23 Acre

## PROPERTY DETAILS

This lovely home is located on a quiet cul-de-sac in the highly desirable Stonegate neighborhood with wonderful amenities and quick access to C-470 and I-25. Situated on one of the neighborhood's larger lots, the park like setting offers mature trees, established greenery and a fully fenced backyard for a living experience that is both private and inviting. Designed with versatility in mind, the floor plan easily accommodates a variety of living arrangements. The home's attractive exterior elevation is highlighted by a charming, covered entry porch and elegant bay window that enhances both curb appeal and interior natural light. Inside, abundant windows and plantation shutters, create a bright, open and spectacular atmosphere throughout. Rich wood flooring extends across the main and second levels. The finished basement with new luxury plank flooring includes a wet bar and is an ideal setting for relaxation, recreation, or the pursuit of creative hobbies. This is a special residence ideal for you to enjoy your lifestyle.
