Multi Family 1104 SQFT 2 Beds 2/1 Baths 1 Car 0.03 Acre

## PROPERTY DETAILS

Well-maintained townhome with an attached finished garage. Upstairs features two master bedrooms, one with a full bath and the other with a 3/4 bath, plus a bright loft for an office or reading area. The main floor includes a kitchen with a large pantry, laundry closet, living room, dining room, and a half bath. There's a small deck off the back door. Conveniently located near shopping, dining, and public transportation.
