PROPERTY DETAILS

Nestled in a quiet cul-de-sac in Rock Creek, this custom-built 2023 home features luxury finishes and exceptional energy efficiency. With 4 bedrooms and 4 baths, it boasts a gourmet kitchen with custom cabinetry, a large granite island, and high-end appliances. The open-concept great room is perfect for entertaining, featuring a cozy fireplace and built-in TV hookups. The primary suite offers heated floors and a spa-like marble bath. The basement is pre-wired for a home theater. Built for durability, it includes energy-efficient features like spray foam insulation and a solar PV system. Outside, enjoy landscaped grounds with a fire-rated Azek deck and custom pergola. This home perfectly combines craftsmanship, efficiency, and location.
