

INVESTOR SPEACIAL!

 Single Family  624 SQFT  2 Beds  1 Baths  0.17 Acre

PROPERTY DETAILS

Investor Special | Handyman Opportunity! This 2-bedroom, 1-bath cottage offers 624 square feet of opportunity in a quiet, centrally located neighborhood. The home has been gutted and primed for renovation, providing a blank canvas for investors, flippers, contractors, or buyers looking to customize a home to their exact vision. Major updates already completed include a 2016 metal roof and 2021 impact windows, helping reduce some of the heavy lifting. Outside, you'll find a 1-car carport and a spacious yard with room to expand, entertain, or create your ideal outdoor space. Conveniently located near shopping, dining, schools, parks, and major commuter routes.
