PROPERTY DETAILS

This Bermuda-style residence on Chilean Avenue offers luxury and privacy in Palm Beach. Just steps from the beach and Worth Avenue, the 3,000-square-foot home is fully furnished and move-in ready. Designed by Pat Segraves and built by Chip Janssen, it was meticulously renovated in 2022, combining island architecture with contemporary finishes. The main house includes a spacious primary suite with a spa bath, a guest suite, and a detached guest house with appliances. The chef's kitchen features Cristallo countertops and Sub-Zero appliances. Additional highlights include hurricane-impact windows, advanced lighting, seamless indoor-outdoor living, and a covered lanai for year-round entertaining. This turnkey residence is a rare opportunity in a prime location.
