PROPERTY DETAILS

This beautifully maintained home showcases pride of ownership with gorgeous hardwood floors throughout. The main-floor office is perfect for remote work, while the stylish kitchen, renovated in 2024, features Bosch appliances from 2021. Enjoy views of the backyard with newly planted maple trees for shade and privacy. The expansive deck is ideal for entertaining and outdoor relaxation. Downstairs, a finished laundry room and versatile bonus room offer space for games, hobbies, or a home gym. Upstairs, the generous primary suite includes a luxurious five-piece bath and walk-in closet, along with two additional bedrooms and a loft for family activities. This home provides space, comfort, and functionality for everyone.
