PROPERTY DETAILS

This stunning riverfront loft features industrial architecture and modern updates, just steps from Larimer Square and Ball Arena. Recently renovated for \$200k, it boasts refined finishes and mountain-inspired details. Enter through soaring ceilings and exposed brick walls into an open-concept layout. The Chef's kitchen includes a granite island, sleek cabinetry, stainless steel appliances, and a wine cooler. The spacious living area has full-wall glass doors leading to a large covered balcony with views of Cherry Creek and the Front Range. The primary suite offers floor-to-ceiling windows, captivating views, and a spa-inspired bath. A versatile secondary bedroom serves as a guest room or home office. Amenities include concierge service, a fitness center, heated garage parking, and access to trails. Enjoy a vibrant lifestyle with dining, events, and culture at your doorstep.
