PROPERTY DETAILS

Mountain living meets modern comfort in this beautifully updated 4-bedroom, 3-bath home nestled on 1.1 private acres in the scenic Bailey foothills. Offering approximately 2,786 square feet of living space, this spacious mountain retreat features a desirable layout with a grand primary suite, two junior suites, and generous living areas designed for both everyday living and entertaining. Recent improvements include updated flooring, roof, deck, and fencing, creating a move-in-ready home with contemporary touches throughout. Enjoy cozy Colorado evenings by one of several fireplaces while expansive windows frame peaceful mountain views and abundant wildlife. The home also features gas and electric heating options, a private dog run, attached 3-car garage, and water treatment system. Surrounded by towering pines and natural beauty, yet conveniently located for commuting to Denver, this property offers the perfect balance of privacy, comfort, and mountain charm. A rare opportunity to own a spacious mountain home where every window captures the beauty of Colorado.
