Condominium 1488 SQFT 2 Beds 2 Baths 2 Car

PROPERTY DETAILS

Stunning Home...Great Location! This Low Maintenance "Bravo" floor plan is a zero step ranch style home with wide doorways and an attached 2 car garage! The 'Great Room' open floor concept in the main living area seamlessly joins the kitchen, dining area, living room and study/flex room by having continuous extended hardwood flooring, vaulted ceilings and recessed lighting! The upgraded kitchen has terrific countertop and cabinet space! The kitchen is complete with granite countertops, indirect under cabinet lighting, a large kitchen island with breakfast bar and an oversized pantry! This home lives and feels larger than it is with its high ceilings and openness in the main living area... perfect for entertaining family and friends! Many large windows and a corner lot location allows this light, bright and very clean home to be drenched in natural light! This beautiful home in a very private location can easily be a lock and leave situation with nothing to worry about for your travel to see friends and family! You also have the ability to step away away from any/all yard work or outdoor maintenance to spend your time doing what you enjoy and what matters most! You are only a short walk away from the beautiful Eastlake Reservoir and literally steps away from a private "Very Fun" Community Clubhouse with a 'Jaw-Dropping' outdoor pool to live your best life! This zero step ranch offers everything you will need on one level! Encore patio homes at Eastlake are all about helping you be able to do the things that you love to do! Maximum comfort, convenience, flexibility and location! This is your time!
