PROPERTY DETAILS

Beautiful Ranch Home with Finished Basement

This spacious ranch-style home blends comfort and functionality with stunning outdoor living. The private backyard is a serene oasis featuring mountain views, full fencing, and a large deck for year-round enjoyment. Relax under the covered gazebo or use the retractable awning for shade. The impressive detached 3-car garage enhances curb appeal, and a breezeway provides convenient access. With 3 bedrooms on the main level and 2 in the finished basement, there's ample space for family and guests. The open floor plan and large windows create a bright atmosphere. This exceptional property offers privacy, views, and generous living space. Solar panels are owned and included in the sale, with last month's bill at -\$17.00!
