PROPERTY DETAILS

Public Remarks

Filled with natural light and tucked among the trees, this darling updated condo offers exceptional privacy and a wonderful sense of peace. Located in the heart of charming Kittredge, where you'll love the walkable small-town lifestyle where neighbors gather by Bear Creek, stroll to the coffee shop, or walk to dinner at one of the local restaurants. Nearly every inch of this home has been thoughtfully remodeled or updated. A contemporary front door and stylish tile entry welcome you inside, where bright, airy spaces and a striking wood accent wall create a warm, modern feel. The beautifully remodeled kitchen is a standout, featuring ample solid surface countertops, stainless steel appliances, abundant cabinetry, and a pantry cabinet. The dining nook windows, and literally every window, frames leafy views, making it feel as though you're living in a treehouse. The updated bathrooms feature fun contemporary finishes, while in-floor radiant heat keeps the home cozy year-round. A spacious walk-in hallway closet provides excellent storage, and outside you'll find your own private deck, fenced yard, raised vegetable garden, and storage shed for bikes, skis, and all your Colorado gear. Completely move-in ready, this special home offers the perfect blend of mountain serenity and everyday convenience. You're just steps from Bear Creek, the park, coffee shop, and restaurants, only five minutes to downtown Evergreen, and an easy 15-minute drive to Lakewood and Red Rocks
