Singular Sophistication In Southmoor Park

Single Family | 2578 SQFT | 4 Beds | 3 Baths | 2 Car | 0.25 Acre

PROPERTY DETAILS

Discover a remarkable brick ranch in Denver's Southmoor Park, blending timeless architecture with modern design on a private quarter-acre lot. Enjoy summer nights under the stars by the gas fire pit or unwind to the soothing sounds of a cascading waterfall in the expansive backyard oasis, featuring a 320-square-foot paver patio.

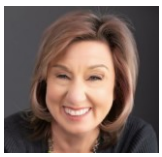

Inside, thoughtful renovations highlight a sleek, European-inspired kitchen with a quartzite island, professional gas range, and coffee bar. Refinished oak hardwood floors and custom lighting enhance the elegance throughout. The inviting family room boasts a gas fireplace framed in Italian tile.
