PROPERTY DETAILS

Picture this: glowing Colorado sunsets pouring through a massive glass sunroom while you relax on a wide wooden deck surrounded by tall pines. This Conifer Colorado mountain home in the Aspen Park area sits walking distance to Meyers Ranch Park—think easy hiking trails through meadows and aspens, plus winter sledding. Inside you'll find a bright open kitchen with stainless appliances, two living areas with wood-burning stoves, a flexible fitness/studio space, and a loft office with treetop views. Hardwood floors and natural light everywhere. You're minutes from Aspen Park Village for groceries, coffee, and local spots like Brooks Place Tavern, plus a short drive to Staunton State Park or Red Rocks. Ready to see it in person? Reach out today and let's get you through the door—this one won't stay around for long. Septic system rated for 3 bedrooms, suitable for 6 people.
