PROPERTY DETAILS

Welcome to 34431 Chilton Avenue, a charming single-family home in Pine, Colorado. This residence features 3 bedrooms and 3 bathrooms, ideal for families seeking comfort in nature. Surrounded by majestic pine trees, it offers a serene atmosphere.

Inside, the bright living room with vaulted ceilings flows into the dining area and kitchen, which includes wood-finish cabinetry and stainless steel appliances. The kitchen island with stone countertops is great for casual dining. Step onto the expansive composite deck to enjoy stunning forest views.

Practical features include central heating, a wood stove, and a partially finished basement. The attached garage and additional storage options like a greenhouse enhance functionality. Perfect for outdoor enthusiasts, this home is close to hiking trails and winter sports.
