

10382 Northwest 24th Place
Sunrise, FL 33322

COMMUNITY: Sunrise Lakes Phase IV

MLS # B26064463

Condominium

950 SQFT

PROPERTY DETAILS

This well-appointed 950 sq. ft. condominium in Sunrise Lakes Phase IV offers a prime investment opportunity in Sunrise, Florida. It features two spacious bedrooms and an open floor plan that maximizes light and space, making it appealing for homeowners and investors alike.

The living room boasts wood-finish flooring, recessed lighting, and glass sliding doors with scenic views. The kitchen is equipped with stainless steel appliances, quartz countertops, and stylish white cabinetry, perfect for cooking and entertaining.

The primary bedroom is a tranquil retreat with natural light and an en-suite bathroom featuring a modern floating vanity and glass-enclosed shower. Additional amenities include a laundry area and community features like parking and access to local parks, creating a comfortable living environment in a vibrant South Florida community.
