PROPERTY DETAILS

Rare Ranch with Outdoor Oasis. Welcome to your new home that offers the space, privacy, flexibility, and Colorado lifestyle you are looking for. Tucked away in a quiet neighborhood, this beautifully maintained and thoughtfully updated home combines comfortable main-level living with an spacious full finished basement, an incredible backyard, camper or extra vehicle storage on the side, solar power, and direct access to nearby paths and trails. The main level features 3 bedrooms & 2 bathrooms, with numerous updates throughout. The completely remodeled kitchen is both stylish and functional, offering a wonderful space to prepare meals, gather with family, and entertain friends. The inviting living area features a rare wood-burning fireplace & dramatic vaulted ceiling, creating an open, warm, & welcoming atmosphere. The spacious primary suite is designed to feel like a private retreat, with direct access to the backyard patio, a walk-in closet, dual sinks, and a beautifully remodeled shower. Step outside and you'll discover one of the home's true highlights: a tranquil backyard oasis with a Trex deck, patio space, storage shed, & plenty of room to relax or entertain. The home backs to nearby paths and walkways, providing an exceptional connection to the outdoors and adding a wonderful sense of privacy. The full finished basement is an especially rare feature for this floor plan and adds tremendous versatility to the home.
