0.15 Acre

PROPERTY DETAILS

This beautifully designed single-family home in Denver's Montclair community is a rare find. It features 3 bedrooms, 2 bathrooms, and 1,746 square feet of living space, blending modern amenities with classic charm. The brick exterior and landscaped grounds enhance its appeal.

Inside, a sophisticated foyer welcomes you with wood-finish flooring and a stone fireplace. The spacious living room, with a blue-tiled fireplace, is perfect for relaxation and entertaining. The dining area boasts hardwood flooring and recessed lighting, while the kitchen includes stainless steel appliances and white shaker cabinets.

The outdoor space features a concrete patio and a detached garage. Located in the vibrant Montclair neighborhood, this property offers easy access to amenities, parks, and dining, making it an ideal choice for a refined lifestyle in Denver.
