PROPERTY DETAILS

Beautifully redone and nestled in Inspiration Point, this 2 bedroom 1 bath home is tiny but mighty. Everything has been redone; electrical, appliances, flooring, tankless water heater, paint, landscaping, air conditioning and even the crawl space. The value of this remodel FAR exceeds the list price, officially making this the best deal in its league by a long-shot. Enjoy this home from the inside with excellent light and little exterior noise thanks to all new Pella windows OR enjoy the abundant outdoor space from either the front or back patios. The landscaping has been meticulously developed and maintained with new plants and an excellent yard. Lots of vehicles? No problem! The two car garage now has an XL driveway that is brand new.

This home is beautiful, comfortable, affordable and a MUST see. It is truly the only one of its kind and is just waiting for a new owner to love and appreciate it!
