PROPERTY DETAILS

Welcome to this beautifully updated home in a quiet subdivision with a community park and new local amenities. This residence features modern updates and quality finishes, including new LVT wood-look flooring, fresh paint, and custom carpentry. The kitchen boasts a new pantry cabinet, sink, faucet, and stainless-steel appliances, with a new refrigerator added in 2024. Additional updates include a NEST thermostat, new window blinds, and updated electrical devices. The finished basement offers extra living space with a new primary bedroom and bathroom. Enjoy the landscaped yard with a new sprinkler system, raised vegetable beds, and new exterior outlets. A new garage door opener with Bluetooth connectivity adds convenience. This move-in ready home is a wonderful opportunity in a welcoming neighborhood.
