With more than 3,500 finished square feet, there is exceptional room to live and gather. The full unfinished basement adds approximately 1,800 square feet and is bath-stubbed, offering tremendous potential for future bedrooms, a recreation room, theater, gym or more. Outside, the fenced and landscaped backyard offers room to dine, entertain, garden or unwind, while front and back patios extend the living space outdoors. The three-car tandem garage adds room for vehicles, bikes, gear and storage. Located in Longmont's established
