PROPERTY DETAILS

Welcome to your Colorado foothills retreat, featuring two private one-acre-plus lots. The main home boasts nearly 3,300 square feet with three bedrooms, two and a half baths, a cozy fireplace, and an attached two-car garage. There's ample parking, including dedicated RV space. A standout feature is the large detached workshop with an oversized garage and an 800-square-foot bonus room, ideal for an office or gym. Enjoy outdoor living with a 1,500-square-foot tigerwood deck, a flagstone patio, and a swim spa. The fully fenced property includes versatile outbuildings and premium concrete siding for durability. The second lot has independent access, offering future build potential or added privacy. This unique property provides space to live, work, and play.
