PROPERTY DETAILS

Do you want the good news or the bad news first? Let's start with the good news! It's not often you walk into a home at this price point and find a living space that feels like it belongs in a million-dollar property. Soaring 18-foot ceilings immediately command attention, complemented by custom two-tone flooring, tongue-and-groove ceilings and incredible natural light. Major upgrades include COMPLETE IMPACT WINDOWS & DOORS (30 windows and 9 slider openings), 2021 TILE ROOF, newer A/C, renovated kitchen, electric blinds, water softener, solid wood doors, and stucco replacing the original wood siding. Outside, enjoy a wraparound patio with bedroom sliders and a beautiful 1/2-acre corner lot. The bad news? CASH/203K LOAN only. Ask for details!
