PROPERTY DETAILS

Welcome to this charming Monterey townhome, featuring thoughtful updates and a serene greenbelt setting. The bright main level boasts vaulted ceilings, a cozy gas fireplace, and a dining area that flows into the updated eat-in kitchen with modern countertops and appliances. Upstairs, two spacious vaulted suites provide privacy. The main floor includes a convenient half-bath for guests. Fresh paint, newer windows, and a central air system enhance its move-in-ready appeal. The full basement offers ample storage or potential for customization. Outside, enjoy an enclosed yard and a new private deck overlooking the greenbelt, perfect for relaxation. Covered parking and an HOA that handles maintenance add convenience. Located in a desirable Centennial community, this townhome is close to parks, trails, shopping, and dining. With a versatile layout and low-maintenance lifestyle, it's a wonderful place to call home.
