PROPERTY DETAILS

Stunning tri-level Cottonwood home featuring 3 bedrooms, 2 baths, and a 2-car garage. Fresh paint, newer flooring, and an open, vaulted floor plan create a bright atmosphere. The updated kitchen boasts granite countertops, a tile backsplash, vaulted ceiling, and all appliances included. The spacious living room features a stacked-stone fireplace. The primary bedroom offers recessed lighting and natural light, with nicely sized secondary bedrooms. The updated bath includes a tiled tub and upgraded vanity. The lower-level family room provides flexible space for media, games, or an office. Enjoy the covered front patio and a fully fenced backyard with mature trees and a large deck for outdoor entertaining. New windows, driveway, gutters, and a roof installed in 2023. Great location near Preservation Park, trails, shopping, and restaurants.
