PROPERTY DETAILS

Located at the end of a peaceful cul-de-sac in Heritage Village, this traditional home features a spacious backyard and a rare three-car garage. Well-maintained by its original owner, it boasts a light-filled kitchen with a skylight, a formal dining room with a coffee bar, and a cozy living room with newer Pella windows. The upper level includes four bedrooms, including a primary suite, while the lower levels offer a family room with a brick fireplace and a private office. The walkout basement has a recreation room, hobby space, and direct access to outdoor patios and gardens. Updates include a new roof, furnace, A/C, and Pella windows. Heritage Village provides a friendly atmosphere with pools, tennis, and community events, all just minutes from the Denver Tech Center and local amenities.
