PROPERTY DETAILS

This updated corner-lot home features a flexible layout and inviting outdoor spaces, making it move-in ready. The main level includes two bedrooms, an expanded primary bedroom with a bonus room, and a full bathroom. The finished basement offers a large recreation room, two non-conforming bedrooms, a second bathroom, and a spacious laundry room.

The backyard is a highlight with established garden beds, a chicken coop, and newer fencing (2021). Ideal for gardening or outdoor entertaining, it provides a peaceful retreat.

Recent upgrades include a new roof (2026), a six-year-old HVAC system, and a radon mitigation system (2025). Located near Belmar, enjoy easy access to dining, shopping, parks, and schools.

Due to a work transfer, the sellers are offering this opportunity to make this home yours!
