PROPERTY DETAILS

Attention investors and buyers seeking a customizable home in Denver's vibrant active adult community! This property offers a unique chance to modernize and build equity in a park-like neighborhood. With a spacious open layout, it's a perfect blank canvas for your design upgrades, including kitchen and bath renovations. Enjoy resort-style living in Windsor Gardens, known for its mature trees and active 55+ lifestyle, featuring a clubhouse, pools, fitness center, and more. Conveniently located near shopping, dining, and transit, this home is ready for your vision. The seller will cover one year of HOA dues. Buyers of any age are welcome, but residents must be 55+.
