PROPERTY DETAILS

This rare 1.933-acre property on Ridge Road in Central Evergreen offers stunning views of Mt. Blue Sky. Located on a quiet dead-end street with only 10 homes, it combines mountain privacy with easy access to downtown, shopping, and I-70. The property features fire-resistant upgrades, including new James Hardie siding and a fire-rated roof, ensuring durability. Expansive west-facing decks are perfect for entertaining, with electric awnings on the main level and a covered retreat below. A heated concrete driveway and a Generac generator provide convenience and reliability. Inside, the open floor plan is filled with natural light, and the main-level Primary Suite allows for easy living. This home is a blank canvas with great potential, ideal for buyers looking to customize and invest in a transitioning area.
