PROPERTY DETAILS

This newly completed single-story courtyard home in Coral Gables is set beneath mature live oaks and spans two lots. The open living, kitchen, and dining areas feature vaulted ceilings and full-height glass doors that lead to the terrace and pool. A family room and breakfast nook overlook the pool, creating a cozy atmosphere. The kitchen boasts walnut cabinetry, an espresso-toned waterfall island, and Fisher & Paykel appliances, with a discreet pantry. Four bedrooms, each with a bath, occupy a separate wing. The primary suite opens to the garden and includes a walk-in closet and a luxurious bath. Conveniently located near the University of Miami and Sunset Drive, the home offers a blend of tranquility and accessibility, with upcoming redevelopment plans enhancing the area's appeal.
