PROPERTY DETAILS

Check out this stunning remodel if you are tired of looking at average! Quality and Style make all the difference! Everything in the house has been updated and you will not be disappointed! This home also has a three-car garage, located on a quiet cul-de-sac and has a backyard that the Botanical Gardens would be proud of! This home is sensational with a completely new gourmet kitchen with custom cabinetry, center island, can lighting, granite countertops solid oak flooring and stainless appliances. The kitchen opens up into the family room with new hardwood flooring, ceiling fan and a one-of-a-kind custom designed fireplace wall with a 60-inch electric fireplace, side cabinetry and top lit shelving on both sides. Exceptionally nice! No corners were cut in this renovation with the new oak flooring extending throughout the living and dining rooms. Off the kitchen as you enter the three-car garage, there is a separate laundry room and a 100% newly renovated half bath. The Primary suite has a stunning 5-piece bath with walk-in shower, soaking tub, dual vanities and a spacious walk-in closet. In addition, there are three additional bedrooms and a newly remodeled full bath with custom tile, new vanity, new lighting, new bath fixtures and new flooring. This home also has all new electrical tamperproof plugs, new switches and lots of new custom lighting throughout. Like waking into a new show home!
